BOATER EQUIPMENT CHECKLIST(continued)

<u>Op</u>	<u>stional Equipment</u>
	Compass
	Tool kit with spare parts (See below)
	Spare drain plug
	Spare spark plugs
	Ear plugs (wind protection)
	Appropriate charts, maps, logbook
	Food and beverages
	Extra clothing, jacket, hat, sunglasses
	Motorcycle helmet or face shield
	Superglue, duct tape, zip ties
	Lake maps Fizzing kit
	Livewell additive
	Towel, chamois and wax
Ш	Tower, chamors and wax
Ele	ectronics ectronics
	Sonar/GPS unit(s)
	Spare transducer(s)
	Surface water temperature gauge (if not part of sonar)
	Speedometer option (if not built in)
	Engine temperature gauge (alarm may be too late)
	Engine water pressure gauge (works <u>before</u> temperature is a problem)
	Marine radio
	Cell phone
	Underwater camera
	Throwaway camera
	Electronics screen cleaner
То	ols (In boat)
	Prop wrench
	Socket set
	Crescent wrench
	Pliers
	Hammer
	Screwdrivers (2 size slotted and 2 phillips)
	Jumper cables
	Assortment of spare fuses and extra in-line fuse
	Assortment of stainless steel bolts, nuts screws and washers
	Electrical supplies (connectors, crimping tools, multimeter, extra wire, etc.)
	Zip ties
	Electrical tape and super glue
	Flashlight
	Rags/towels

BOATER EQUIPMENT CHECKLIST (continued)

Items To Carry In Tow Vehicle			
	Boat cover		
	Spare propeller		
	10W30 oil for car		
	Radiator fluid for car		
	Extra oil for boat motor		
	Trailer registration w/inspection sticker		
	Keys (house, spare tire, trailer hitch)		
	Spare keys (boat ignition, boat compartments)		
	Car registration, insurance card, drivers license, current inspection sticker		
	Jack (trailer and tow vehicle)		
	Spare trailer and vehicle tires		
	Lug wrench (trailer and tow vehicle)		
	Extra trailer bearings, hub, grease, etc.		
	Spare trailer bulbs		
	Wheel chocks		
	Extension cords (2-3)		
	Spare battery charger
