List of possible Lakes for the RBM Classic: Seneca, Onondaga, Silver, Honeoye, Canandaigua, Skaneateles, Owasco

1. Amateurs will be required to pay \$40.00 entry fee if they make and fish the Classic. (This was decided because amateurs have the opportunity to fish in the Classic but do not pay towards the Classic fund.)
2. Two additional spots, for entry into the Classic, will be selected at random. Only anglers who have fished at least 7/8 AOY events will be eligible for the random draw. Those eligible anglers would need to be at the draw for the classic lake: the RBM Clambake will be the venue for announcing the Classic Lake.
3. # placards and how weigh in is conducted may change.
 - Example: boaters and non-boaters may be required to weigh in together and provide their boat # placard at the time of weigh in.
